

BATTLE ON LEFT WING OF ALLIES' LINE CONTINUES

PARIS SAYS SITUATION IN NORTHERN FRANCE IS STATIONARY

Claim Repulsion of Day and Night Attacks in Argonne and Meuse Regions—Petrograd States Two Russian Armies Are Invading East Prussia—French Are Bombarding Cattaro—Reports Regarding Siege of Antwerp Conflict.

Only laconic reference concerning the actual fighting is made by the French war office in its latest report on the conflict in northern France. "The general situation is stationary," it says.

Of present conditions on the left wing of the allies line, where a previous report had said the French had been obliged at certain points to cede ground to the Germans, the later war office statement merely declares that the action still continues. It adds that in the Argonne and Meuse regions, day and night attacks by the Germans have been repulsed by the allies.

In the eastern war zone the Russians report that, having conquered the Germans in Russian Poland, two armies are invading East Prussia with Alstere as their objective.

In the south on the Adriatic, French men of war are reported again to be bombarding the Austrian port of Cattaro.

As yet the situation surrounding the forts at Antwerp, which are under bombardment by the Germans, has not been definitely cleared up. The Germans still claim they have captured several of the outer fortifications, while the Belgians declare the defenses remain intact.

A report from Berlin that British ships have arrived at Lisbon and that Portugal's co-operation with the allies in the war is imminent, brought forth a statement from the Portuguese minister at Washington that his country was prepared to take such a step whenever Great Britain should call upon her to do so, under the treaty of mutual protection existing between the two countries.

Great Britain is investigating coal shipments from the United States under the suspicion that cargoes, instead of reaching the ports to which they are consigned, reach German warships at sea.

The price of Wales' relief fund has now reached \$15,000,000.

Continues Determined Stand.

London, Oct. 5.—General von Kluck, reinforced with troops from the German center, continues to make a determined stand against the attempt of the allies to outflank him.

The French, who yesterday officially reported that all German attacks in this region had been repulsed and that the allies had resumed the offensive, announced today that the battle to the north of the Oise which commenced seriously about September 25, continues with great violence with no decisive result and that at certain points the French troops have had to yield ground.

The Germans in their reports last night, say the battle is proceeding. Both in London and in Paris there is the greatest confidence, although some surprise is displayed at the success of the Germans in preventing the outflanking movements. There is a feeling, however, that the Germans cannot extend their line much further north without weakening it at some point.

Along the rest of the line the French communication says there has been no change. Therefore the progress in the regions of Soissons and Woivre reported Saturday night either has satisfied them for the moment, or they have been checked by the Germans.

Of the fighting here, as on their right, the German report says it is proceeding favorable for the German army.

Pressure Must Be Slow.

Pressure by either side must be extremely slow for after every advance no matter how slight, the troops making it must entrench themselves for protection against shells from the enemy's guns posted in strong positions from one end of the line to the other.

The defeat of the German army which invaded Russia from East Prussia appears, from Russian accounts, to have been even more decisive than previously stated.

According to the Russian ambassador at Rome the Germans were completely routed with a loss of 70,000 men and have been forced to abandon everything.

The Russians are now moving forward with the object of again invading East Prussia. This victory, if it is as complete as reported, is of the greatest importance to the Russians, as it will prevent the Germans from undertaking land and sea operations which would have compelled

Russia to turn at least a part of its attention in this direction.

General Rennenkampf apparently drove a wedge between the two German forces which were advanced upon Druskeniki and Ossowetz and brought about the battle of Augustowo, which resulted in a Russian victory. If the Germans have not already retired from the left bank of the Niemen river at Druskeniki their defeat at Augustowo must compel them to do so. The moral effect of another invasion of East Prussia will also be of importance. No news has been received today from the Silesian and Galician battlefields and probably the main armies have not come together there. A big battle cannot be delayed much longer, however, as on the Silesian frontier both armies are moving forward and will meet in Russian Poland.

Before the Russian advance in Galicia, the peasants are fleeing the country and it is reported that 20,000 of them have reached Bohemia.

The sanitary department of Vienna reports that four cases of Asiatic cholera have occurred among the troops returning from Galicia, but that all have been isolated.

Antwerp Situation Unchanged.

At Antwerp the official report says, the situation in the fortified positions remains unchanged.

Fighting continues also in the near east and the Anglo-French fleet has succeeded in destroying Lustica, an outer defense of the Austria seaport at Cattaro.

While the Serbians and Montenegrins are attacking the outer fortifications of Sarajevo, Belgrade which has been so often under fire, has not been bombarded for several days, probably as a result of the re-occupation of Semlin by the Serbians.

Skirmishes have occurred on the Anglo-German frontier in East Africa as the result of German raids into British territory for the purpose of cutting the Uganda railway. All these raids, according to the British official reports have been repulsed.

While the routine life in England is not seriously upset by the war, the regulations in many respects are becoming more stringent. An instance of this is to be found in the action of the authorities, who in order to keep the army provided with warm clothing, have commandeered large quantities of woollens in Leicester, a step which is likely to be followed elsewhere.

Says German Defeat Is Complete.

Rome, Via Paris, Oct. 5.—The Russian embassy here tonight made public an official communication, received from the Russian headquarters staff, saying:

"The defeat of the Germans is complete. Their retreat is changing into a rout that is so disorderly and precipitate that they were forced to abandon everything."

"Two Russian armies are proceeding, one from the west and another from the south, toward Allenstein (in East Prussia, 50 miles southeast of Elbing)."

"The German losses have not yet been officially ascertained, but it is estimated that they had 70,000 men disabled."

MANY IN LINE WAITING FOR SERIES SEAT SALE TO OPEN

Philadelphia, Oct. 5.—Although the public sale of world's series baseball tickets does not begin until 9 o'clock Wednesday morning, a line of prospective purchasers half a block long had taken up their places early tonight in front of the department store where the tickets will be placed on sale. One enterprising chap camped on a soap box at the head of the line at 7 o'clock this morning. He is Joseph Banks of Camden, N. J. and says he and his brother, by taking turns in holding the coveted place, hope to secure the first tickets disposed of. They are for his father, who, he said, had not missed a championship series for many years.

Several of the men and boys in line did not hesitate to say that they would dispose of their places if they received a fair offer. Many in the waiting line had come prepared to spend the night as was evidenced by the lunch boxes and cushions they carried. Crowds of on-lookers surrounded the line and a detail of police was on hand to keep order.

STATE EMPEROR HAS REMOVED VON MOLTKE

REPORT FROM AMSTERDAM TELLS OF COLLISION BETWEEN THE TWO

Despatch Says Kaiser Wished to Attack England From the Air, But Chief Declared Aircraft Were Needed in Europe.

LONDON, Oct. 5.—Lieutenant General Helmuth von Moltke, chief of the German general staff, has been removed from that office by the emperor, according to a report received here tonight.

An Amsterdam despatch to the Daily Call says that the dismissal of General von Moltke was due to a collision with the emperor over several important questions of strategy.

Continuing, the despatch says, the emperor wished to subordinate sound strategy to a desire to attack England but General von Moltke preferred to postpone the latter action as it would have no effect upon the immediate situation.

The emperor, adds the despatch, wished to detach a large number of airships and aeroplanes to attack England, but General von Moltke declared all available air craft were needed in Europe.

MANUFACTURERS AND UNIONS AGREE ON TRUCE OF ONE YEAR

NEW YORK, Oct. 5.—A truce of one year during which there shall be no strikes or lockouts has been agreed on by representatives of the American Clothing Manufacturers Association, which largely controls the output of the cheaper grades of men's and boys' clothing in this city, and the local branch of the United Garment Workers of America, comprising unions to which approximately 100,000 workers belong.

The truce went into effect September 25, under a collective agreement, announced by a statement was made tonight by Paul Abison, secretary of the conference at which the manufacturers and the unions reached their understanding.

TESTIFY THAT PICKPOCKETS PAY ANNUAL TRIBUTE TO LAWYERS

CHICAGO, Oct. 5.—Pickpockets pay annual tribute of \$40,000 to lawyers and bondsmen in Chicago, according to testimony given today before the city council commission investigating causes of crime.

John Halpin, captain of detectives testified that his men arrest an average of 2,000 known pickpockets each year, most of whom, he said, were discharged when brought into court. Patrick McWeeney, a police lieutenant, testified each pickpocket had to spend about \$200 to get his release on bond.

McWeeney said he thought it likely some policemen saved the bondsmen trouble by threatening pickpockets with arrest and releasing them before the station house was reached, if the criminal would pay.

APPEALS FOR MORE MONEY FOR AMERICANS IN TURKEY

WASHINGTON, Oct. 5.—Ambassador Morgenthau, at Constantinople, has appealed to the state department for additional funds for the relief of Americans in the Ottoman empire. The recent deposit by this government of \$150,000 has been found inadequate.

Ambassadors Page and Herrick, at London and Paris respectively, were advised of the situation in an effort to make quickly available funds for Turkish distribution and steps also were taken in that direction by treasury department officers.

A private despatch to the state department said that conditions in Jerusalem were such that food could not be obtained by a large portion of the population and many were facing starvation. Officials here were undecided as to what relief could be offered.

SENATE NAMES ESHAD PASHA PROVISIONAL HEAD OF ALBANIA

PARIS, Oct. 6.—A Havas despatch from Durazzo, dated October 4th, says that the senate has named Eshad Pasha president of the provisional government of Albania. His 10,000 Albanian troops occupy strategic positions in the city.

Eshad Pasha was formerly Albanian minister of war and was also commander in chief of the Turkish forces at Scutari in the Balkan war. He was opposed to the rule of Prince William of Wied, who was appointed to the Albanian throne by the powers.

TO RUN INDEPENDENT CANDIDATE.

Milwaukee, Oct. 5.—Wisconsin Progressives at an adjourned meeting, decided definitely late today to place an independent candidate for governor in the field at the general election in November.

AMERICANS ASK FOR PROTECTION

Naco, Arizona, Residents Are Endangered by Battle Across the Border

BOY IS SHOT IN HAND

In Appeal to President, Citizens Say Thousands of Bullets Are Shot in Streets and Buildings

LEAVE TODAY FOR MEETING

NACO, Sonora, Mexico, Oct. 5.—The siege of Naco continues to be almost as disastrous for the American town of the same name just across the border as it is for the object of the Mexicans' bad marksmanship.

Citizens of the Arizona town today appealed to President Wilson for protection.

Governor Maytornea with his Villa adherents and Yaqui Indians confined their siege to sharp shooting. Col. Benjamin Hill, the Carranza commander of the entrenched troops here, replied in kind.

Casualties within the town were confined to the execution of 25 Yaquis captured during the night in a sortie. The garrison fared better than the observers on the American side where an American boy was shot in the hand and two United States cavalry horses were struck by stray Mexican bullets.

Foreseeing the difficulty of an active assault, the two warring factions are reported to be negotiating a cessation of hostilities through two commissioners.

Colonel Gufoyle of the American border patrol warned the besieged and the besiegers against shooting across the international line. In addition the Naco, Arizona, citizens committee sent the following telegram to the president:

"We and all American citizens of this border town respectfully and earnestly appeal to you for immediate and adequate protection of the lives of our families and ourselves from the battle between the Mexican factions now engaged in this vicinity. Thousands of bullets are carelessly or maliciously fired into our streets and buildings, compelling us to abandon our homes and causing us to suffer great hardships and danger."

Additional ammunition has arrived for both sides. More is expected.

Will Leave for Aguas Calientes.

Mexico City, Oct. 5.—At a meeting held here today to arrange a date for the departure of the commissioners who are to confer at the Aguas Calientes with representatives of the General Villa it was decided unanimously that they should leave here at six o'clock tomorrow evening for the border town of Cuernavaca. The convention voted to exclude civilians but invited Luis Cabrera, General Carranza's agent, to go with the delegates. He was accorded the right to speak at the convention but not to vote.

A committee visited the Palace tonight to invite General Carranza to accompany the peace delegates to Aguas Calientes. Whether or not General Carranza accepted the invitation was not made public.

Disagree With Washington.

El Paso, Texas, Oct. 5.—Agents of the Carranza central government along the border do not agree with official Washington's interpretation of the presidential situation in the revolution-stricken republic. Local representatives of the constitutionalist commander in chief said today that a recent convention held at Mexico City, by rejecting Carranza's resignation, had decided definitely the matter of who should act as provisional president until the holding of elections.

This convention, they said, had eliminated Telesforo Calderon as a probable candidate for the presidency although he might run at the national elections, the date of which has not been set.

CHARGE THAT ROCKEFELLERS ARE TRYING TO DESTROY UNION

PITTSBURGH, Kansas, Oct. 5.—That the "Rockefeller interests with detectives and trailers are attempting to destroy the organization of the United Mine Workers of America" was the charge made here today by John P. White, National president of the Mine Workers in an address before a special convention called in district number 14.

The convention was called, it is understood, as a result of internal difficulties in the miners organization that developed a few weeks ago during the consideration of a contract between the operators and mine workers.

Mr. White's attack was directed toward those he accused of bringing about serious dissension among the miners branding them as agitators and saying they were placed there to disrupt the organization and destroy it.

PLAN TO RAISE LARGE COTTON LOAN FUND

DELEGATION OF BANKERS RATIFY PROPOSED \$150,000,000 FUND

Matter Now Awaits Approval of McAdoo and Federal Reserve Board Before it is Carried Into Effect—Wade Explains Move.

ST. LOUIS, Oct. 5.—A plan for raising a cotton loan fund of \$150,000,000 proposed by a conference of St. Louis bankers was ratified here today by a delegation of bankers from the cotton growing states and now awaits only the approval of Secretary of the Treasury McAdoo, and the Federal Reserve Board before it is carried into effect.

The plan as approved "in general essence" by nine southern bankers who had been asked by Secretary McAdoo to attend the conference, the raising of the fund by subscriptions from national and state banks, trust companies and mercantile and manufacturing companies throughout the country.

"It must be distinctly understood," declared Festus J. Wade, chairman of the St. Louis Clearing House Association and originator of the plan, "that this is not a movement for the purchase of cotton. It is simply a movement to make available a fund of \$150,000,000 to loan on cotton, at not to exceed six cents per pound, milled basis."

"The establishment of this fund will make the cotton crop a liquid asset; stabilize its price; give confidence to the exporter and spinner to purchase and thus bring about normal business conditions in all lines of trade and commerce."

The amount to be raised by each financial center will be apportioned by a committee in a charge at a subsequent meeting to be held within the next few days, providing general plan meets the approval of the Secretary of the Treasury and the federal reserve board.

GERMANS SEIZE DYESTUFFS VALUED AT HALF A MILLION

NEW YORK, Oct. 5.—Dyestuffs valued at \$500,000 shipped from Basel, Switzerland, by Walter F. Sykes of the firm of Walter F. Sykes and Co., of this city and consigned for America by way of Rotterdam, Holland, were seized on September 14 by the German government. Such is the information contained in a cable despatch received here.

A protest against the seizure has been lodged with the state department at Washington and Secretary Bryan is said to have notified Ambassador Gerard at Berlin to use every endeavor to persuade the German government to release the shipment. According to the despatch the dyestuffs were taken by Germany one day before the German government issued an edict forbidding the shipment of chemicals from Germany.

TAKES DRASTIC MEASURE TO GET WOOLEN GOODS FOR ARMY

LONDON, Oct. 5.—According to the Yorkshire Post, the war office is taking drastic measures to secure an adequate supply of hosiery, underclothes, gloves and other woollen goods for the army and navy. All the manufacturers in Leicester, the chief center of the woollen industry, have been informed that their entire production of heavy goods must be placed at the disposal of the war office and that if a single garment is withheld by a manufacturer or is supplied to any firm whatever, the war office will at once take over the factory and run it, giving the firm a certain percentage of the profits.

SIXTEEN DIE IN GAS EXPLOSION IN MINE; TWELVE ARE INJURED

BIRMINGHAM, Ala., Oct. 5.—Sixteen men tonight are known to be dead and twelve injured as the result of a pocket gas explosion early in the Mulga mines of the Woodward Iron Co. near Ensley. Removal of the bodies is proceeding slowly, only nine of the sixteen dead having been brought out early tonight.

Mine officials state the explosion was purely local and was caused by striking a pocket of gas. What ignited the gas has not been determined.

The mine itself was not seriously damaged. Mulga mines had a previous explosion April 20, 1910 when thirty-five were killed.

JAPANESE CAVALRY REACHES TSING-CHOW

CORRESPONDENT STATES TROOPS PROCEED LEISURELY

Chinese Government Continues Diplomatic Efforts to Cause Japanese to Withdraw to Kia Chow—Germs Threaten to Dynamite Bridges and Burn Stations.

Peking, Oct. 6.—1:30 a. m.—The Japanese cavalry, the advance guard of troops that are occupying the German owned railway connecting the German leased possession of Kia-Chow with Tsi-Nan in the west of Shan-Tung, has reached Tsing Chow, 35 miles west of Weie Hsein.

The Japanese legation has promised the Chinese foreign office that Japan would occupy the railway with the fewest troops possible, who would remain close to the line and that civilian railroad men would be brought from Japan to displace the soldiers, so soon as was possible. Further, all the Chinese railroad employees would be continued in the service.

The Chinese government, however, will continue its diplomatic efforts to cause the Japanese to withdraw to the vicinity of Kia-Chow. The Germans threaten to dynamite all the bridges and burn all the stations on the line, if the Japanese continue their march westward.

A correspondent at Tsinmo, north of Tsing-Tau, who was compelled to leave that town because of illness on September 25, has arrived here. He reports that he saw no siege guns in the neighborhood of Tsing-Tau. The Japanese are proceeding leisurely, he states, which supports the general understanding here that they are not ready to attack the formidable final line of the German defenses.

The British troops, like the Japanese, went to Kia-Chow without tents and are camping in the open air at Tsinmo, which is the Japanese headquarters.

A correspondent at Hankow, under Monday's date, reports that the Russian garrison numbering 238 sailed for Vladivostok Monday night. Japanese soldiers and British and French civilians displaying the flag of the allies witnessed the departure.

PORTUGAL IS PREPARED TO JOIN WITH ALLIES AGAINST GERMANY

Minister at Washington Says His Country Is Ready to Take Step Whenever Called on by England.

Washington, Oct. 5.—While no confirmation of the report from Berlin that Portugal was preparing to join forces with the allies against Germany has been received by the minister, Viscount De Alente, said today his country was prepared to take the step whenever Great Britain should call upon her to do so. A treaty of long standing between the two countries, providing for mutual protection, was re-affirmed at the outbreak of the present war, he said, and that action ratified by the Portuguese cabinet September 28. Great Britain sent a cruiser to Lisbon on that date to fire a special salute to the Portuguese flag in recognition of the act.

Legation officials believed reports of military activities in Portugal probably arose from the fact that a force of 500 men left for Portuguese Southeast Africa recently aboard British ships.

Viscount De Alente called at the British embassy before making any statement as to the Berlin report.

PRINCE OF WALES WAR RELIEF FUND REACHES \$15,000,000

LONDON, Oct. 5.—The Prince of Wales' fund has reached \$15,000,000 and the Prince has issued a letter expressing his thanks for the generous contributions.

"I trust," he says in the letter, "that the portion of the fund of which will be applied to the relief of civil distress may, as far as possible, flow into productive channels, such as assisting schemes for male and female employment and perhaps industrial training, for it is a painful task to me, as it must be to the recipients, that assistance should be distributed only in the form of doles."

EDWARD GASTON IS ARRESTED WHEN ABOUT TO LEAVE BERLIN

Ambassador Gerard is Endeavoring to Secure Release of Well Known American Journalist.

Berlin, Oct. 5.—via The Hague to London—Edward Page Gaston, an American who recently distributed blankets, underwear and clothing to British prisoners of war, was arrested here yesterday when about to leave the city. The charge against him was not made public. James W. Gerard the American ambassador is endeavoring to secure the release of Mr. Gaston.

Edward Page Gaston is well-known in the United States and Europe as a journalist and lecturer. His home is in Harvey, Illinois.

Has Been in Europe a Year.

Harvey, Ill., Oct. 5.—Edward Page Gaston, who was arrested in Berlin is a brother of Miss Lucy Page Gaston, who has made a national campaign against cigarettes. At the home here nothing was known of his arrest. He had been in Europe for nearly a year it was said.

FINISH ANTI-TRUST PROGRAM IN SENATE

Conference Report on Clayton Measure Is Agreed to By Vote of 35 to 24

TURN DOWN REED MOTION

Missouri Senator Asks to Have Bill Re-Committed—Report Now Goes to the House

DEMOCRATS TO HOLD CAUCUS

ADD FINISH ANTI-TRUST

WASHINGTON, Oct. 5.—The administration anti-trust program was completed in the senate late today when the conference report on the Clayton anti-trust bill was agreed to by a vote of 35 to 24.

The senate voted today a motion by Senator Reed of Missouri to re-commit the bill to conference.

Senator Reed's motion contemplated the reinstatement of criminal penalties for violations of sections specifying methods of competition declared unlawful.

The conference report will go to the house where its adoption with but brief debate is expected.

Three democrats voted against the report, Senators Lane, Martine, and Reed. Six democrats voted for the Reed motion to re-commit. They were Lane, Martine, Reed, Thomas, Vardaman and Williams.

Senator Root was the only republican who voted against the motion. Senator Poindeux, progressive, voted against both the Reed motion and the motion to agree.

As finally agreed to, the bill forbids price discrimination, limits interlocking directorates and prohibits holding companies where the effect is to "destroy or substantially lessen competition." The bill also declares that "the labor of a human being is not a commodity or article of commerce," and exempts labor and farmers' unions from the operation of the Sherman anti-trust law.

It revises the law regulating contempt of court and the use of injunctions in labor disputes, making reforms long demanded by organized labor.

Senate Democrats Agree on Caucus.

Hoping to settle party differences on the war revenue bill and expedite disposition of remaining legislative business with a view to early adjournment, democrats of the senate have agreed on a caucus to be held tomorrow. The call was issued late today after a conference between Senator Kern, chairman of the caucus, and Senator Simmons of the finance committee.

The need for the caucus became apparent today at the meeting of the democrats of the finance committee when members whose amendments to the war revenue bill were rejected, declared they would carry the fight to the floor of the senate. Whether senators will be made to pledge senators to vote for the bill as approved by the caucus was not discussed.

Will Recommend Primary Probe.

Investigation into financing of senatorial primary campaigns in Illinois and Pennsylvania, urged by Senator Norris' resolution introduced a month ago, probably will be recommended by the senate committee on privileges and elections, Senator Kern, chairman of the committee, announced today that the vote of the committee would be taken next Friday and that absent republican members, Senators Sutherland, Dillingham, Fall and Kenyon had been urged to be present.

Several democratic members of the committee said tonight that favorable action on the resolution was likely, the attitude of ten days ago having changed. Witnesses who had appeared before the committee then in connection with the campaigns of Roger C. Sullivan, democratic nominee in Illinois and Senator Boise Penrose, republican nominee in Pennsylvania, were directed to produce further information.

MONDAY IN CONGRESS.

WILL ASK THAT PHONE COMPANIES CONSOLIDATE

Petition to Be Presented to Utility Commission Today on Behalf of Jacksonville Citizens.

The petition of the Illinois Telephone company which is asking authority to establish a toll rate between Jacksonville and Franklin will come up for hearing before the Utility Commission today.
It is understood that a petition will also be filed with the commission today signed by Jacksonville citizens asking that the commission make an order that the two telephone companies here unite. Brief arguments will be made why such a change is desirable and the board will then no doubt investigate the local situation. In a number of cities the board has gone on record as favoring one system in a city in the interest of economy and efficiency, but just what the finding here will be cannot be forecasted.

PEACE SERVICES AT GRACE M. E. CHURCH.
At the Sunday morning service of Grace church Rev. J. W. Miller spoke on "The Conditions of Universal Peace". The principle points that were urged as conditions of peace were: First, the economic situation. The great expenditure on military preparation, and consequent burden on the producer, the international exchange and investment of capital and the great undeveloped regions, rich in resources and promising fine returns. Second, the breaking down of militarism and gradual disarmament. A statement was made showing the influence of militarism in the present terrible war raging between European powers. Third, the general adoption of the principles of arbitration treaties such as now exist between the United States and several of the great nations. Fourth, the growing influence of the kingdom of Jesus Christ which is slowly leveling the nations and transforming them. The day of war is ending, red with the smoke of battle field and burning cities. The day dawn of unbroken peace will soon come undisturbed by groans of the dying and sobs of the heart-broken, but filled with music of peaceful industry.

SOCIAL EVENTS.

Mrs. T. J. Pitner and Miss Mary Upham have issued invitations for an afternoon tea to be given Saturday at Dr. and Mrs. Pitner's home, Fairview.

Miss Ethel Sweeney entertained at a linen rush Monday evening at her home 922 South East street in honor of Miss Louise White who is to be married Wednesday morning to Mr. August Maurer of Springfield. The guests included intimate friends of the bride-to-be, mostly old school mates. The house was decorated in golden red and autumn leaves and games afforded music for the evening, the prize being won by Miss White. A three course luncheon was served. Miss White received a number of pretty gifts.

The Sunday school class of Grace M. E. church, taught by Mrs. J. W. Miller, was entertained Monday evening at the home of Miss Stella Shuff on West North street. 25 members were present and a most enjoyable time spent, in playing games and listening to a musical program. Some nice refreshments were served.

Mr. and Mrs. James Robinson entertained about 40 relatives and friends at their home, four miles north of Orleans, Saturday evening, Oct. 3, in honor of the 21st birthday of their son, Charles.

The evening passed all too quickly, the time being spent with music and games. During the evening an elaborate supper was served and it was a late hour when the company disbanded and expressed their hopes for many happy returns of the day.

The young man received a number of useful and very valuable presents. Those present were: Misses Alice and Eva Leadill, Frances Morris, Etta Robson, Hattie Scott, Vella Oxley, all of Franklin; Irene Mills of Pisgah; Helen Zachary, of Orleans; Esther Dunn, of Arnold; Lorine Dewese and Emma Foster of Prentice, and Sarah Reese of Woodson; Nelle Matthews, Ruby Baxter, Margaret and Louise Trotter. STRAIGHT FORWARD TESTIMONY

Many Jacksonville Citizens Have Profited By It.

If you have backache, urinary troubles, days of dizziness, headaches or nervousness, strike at the seat of the trouble. These are often the symptoms of weak kidneys and there is grave danger in delay. Doan's Kidney Pills are especially prepared for kidney ailments—are endorsed by over 30,000 people. Your neighbors recommend this remedy—have proved its merit in many tests. Jacksonville readers should take fresh courage in the straightforward testimony of a Jacksonville citizen.

J. B. Seaver, blacksmith, 346 East North street, Jacksonville, says: "I have used Doan's Kidney Pills with fine results and I am pleased to recommend them. I had pains in the small of my back, especially when I tried to straighten after stooping. I used Doan's Kidney Pills and they stopped the pains. They also regulated the action of my kidneys." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that M. Seaver had. Foster-Milburn Co., Props., Buffalo, N. Y.

MR. SIMPSON RETURNS TO ROBERTS BROS. PHARMACY.

Well Known Young Man Back in Position He Previously Held—Specially Qualified for the Work.

James B. Simpson, formerly pharmacist for Roberts Bros. has returned to Jacksonville to again assume that position and will have full control of the drug department of the store. Mr. Simpson resigned his position here to go back to Chicago on account of his wife's health which has now recovered. Their recollections of Jacksonville were so pleasant and the friendships formed here so lasting that it was natural that there should come a longing for beautiful Jacksonville.

Several weeks ago W. D. Roberts was in Chicago, called on Mr. Simpson and the result was the arrangement that Mr. Simpson should come back to Jacksonville about October 1st and have entire charge of the pharmacy. Mr. Simpson is a graduate from Purdue university and so has a thorough education in his profession. This has been supplemented by years of training during much of which time he devoted special attention to prescription work. In addition he is a very likeable young man and the many friends he met when in Jacksonville before he came here and he will no doubt have a cordial greeting for new ones at the south side grocery and pharmacy.

BUSINESS ANNOUNCEMENT

As announced Saturday, I recently purchased the Breckon & Jenkinson stock of clothing and have been conducting the closing out sale of the excellent goods at 60 cents on the dollar. The sale is to continue a few days longer and then the store will be closed for a day or two while the new stock is being arranged.

I will carry lines of men's clothing and furnishings of acknowledged worth and will offer at all times to the people of Jacksonville dependable goods at the lowest possible prices. Thirteen years experience in the clothing business has given me familiarity with the best lines and I am confident the store stock and services will merit public patronage.

OF GRACE CHURCH.

The date set for the "every member canvass" in Grace church is Oct. 20. The finance committee met Monday evening and divided the city into ten districts and placed a captain in charge of each district. Thorough going plans have been worked out to acquaint the canvassers with the details of their work and also to acquaint the membership with the importance and the method of the movement. Grace was the first church in this section to put this method of church finance into operation last year. Many churches are now adopting the method. The plan is to get fully ready and get the entire membership in one day. Luncheon at noon and evening will be served at the church on the 20th of October, the day of the canvass.

A meeting of the captains will be held at the close of prayer meeting Wednesday evening.

ATTENTION RED MEN.

All Red Men are requested to be at the Wigwam this evening Oct. 6, at 7 o'clock sharp, to take part in the parade. All you need is a blanket and the line of march will be short. I. M. Bunce, Sachem. A. B. Opperman, Chief of Records.

STANDING ROOM ONLY.

The "standing room only" sign was displayed early last night at the Hippodrome. The big audience anticipated the presentation of "The Trail of the Lonesome Pine" with great pleasure and was not in the least disappointed. The play was well cast and the sweet story was given a very excellent interpretation.

INFANT BURIED.

The infant son of Mr. and Mrs. John Buckley, John Robert, was held Sunday afternoon at 3:30 from the residence of Mr. and Mrs. James McBride. Interment was made in Calvary cemetery.

WINCHESTER.

Mrs. John Markillie is seriously ill at her home in the north part of the city but hopes are held for her recovery. Mr. and Mrs. Fred Warwick of Girard and Mr. and Mrs. J. B. Dennis of St. Louis were called to Winchester by her illness, she being the mother of Mrs. Warwick and Mrs. Dennis.

Miss Vivian Brengle is at home after a visit in Chicago and Galesburg.

Mr. and Mrs. Ralph Riggs are the proud parents of a daughter, born Sunday, Oct. 4.

Edward Hieronymous of Astoria and Charles Hieronymous and Leo Boylan of Beardstown were visitors in the city Sunday.

Luther Mason of Canton arrived Sunday for a short visit with his parents, Mr. and Mrs. Robert Mason. Miss Leah Cowper left Sunday for St. Louis to attend the Veiled prophet parade.

Mrs. Cora Richart has gone to St. Louis to visit friends and attend the Veiled Prophet parade.

The members of the young people's guild entertained for the other young people of the Presbyterian church Monday evening at a wienie roast in Doyle's grove in the north part of the city. There were about twenty-five present at the gathering which in all respects was a most enjoyable one.

STORY HOUR WEDNESDAY

AT PUBLIC LIBRARY

Next Wednesday afternoon, Oct. 7, at 4 o'clock, the first of the library story hours planned for the winter will be given. The story hours will be held every other week regularly thereafter. Great hero tales from the various countries will be told. They will be grouped by nationality.

The first story will be "Beowulf." One critic has said of this old tale of marvels and wild fancies:

"Its real value, considered as an historical authority merely, lies in the vivid picture it gives us of the life, the manners and the habits of thought of our forefathers in that dark, backward and abysm of time. We have it here at first hand, proving in Chapman's words,

"How firm Truth builds in poet's feigning."

and it is scarcely an exaggeration to say that we may live with our ancestors and know them—which surely is the chief end of history—better in this poem than in all the bulky volumes of professed historians."

BOGG'S OVERTURNS.

While driving on Howe street about ten o'clock Sunday night, Mr. and Mrs. Thomas Dyer, 489 East Independence avenue, suffered an accident by which Mr. Dyer was rendered unconscious for ten minutes and both were slightly bruised. Mr. Dyer attempted a very quick turn and the rubber tired wheel catching in some manner, the rig was overturned and both occupants thrown out.

SUPPER AT NORTHMINSTER. Annual chicken supper at Northminster church Thursday evening, 5:30-8:00, 35 cents.

MR. BECKMAN MUCH IMPROVED. Reports from Pisgah tell of the continued improvement of Mr. Beckman, who a short time ago was able to leave the hospital for his home. He was able Sunday to walk to a room adjoining and take his place at the dinner table.

THANK-OFFERING SERVICE. The annual "Thank-offering" services of the Foreign Missionary society of the Congregational church will be held in the church parlors this afternoon at 3 o'clock. The program and social hour will be in charge of Mrs. Heim, Mrs. Spink, and Mrs. Hutchinson.

HOUSE DAMAGED BY FIRE.

The home of John Devlin, near East and Dunlap streets was damaged by fire at a late hour Saturday night. The fire when discovered was burning at the back part of the house and seemed to have originated in the pantry. It was necessary for the firemen to use considerable water in extinguishing the flames and the house was quite badly damaged.

HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

If you want a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists.

Take one or two nightly and note the pleasing results.

BERNSTORFF'S VISIT AROUSES SPECULATION

GERMAN AMBASSADOR CONFERS WITH BRYAN

Is Understood Have Been Asked to Forward to Berlin Copies of Peace Commission treaties Negotiated by Bryan with Several Countries.

Washington, Oct. 5.—The call of Count von Bernstorff, the German ambassador at the state department today, where he conferred for half an hour with Secretary Bryan aroused much speculation in diplomatic circles here tonight as to the possibility that further efforts had been set in motion by the administration, indirectly at least, to bring about peace in Europe. Neither the secretary nor the ambassador would discuss the purpose of the visit although it is known that the diplomat made a special trip from New York in response to a telegraphic request sent by Mr. Bryan.

He left the secretary's room burdened with copies of peace commission treaties negotiated by Mr. Bryan with various countries, and is understood to have been asked to forward these promptly to Berlin. The treaties are typical of all the peace conventions upon which Mr. Bryan has been at work, although they differ somewhat in detail.

There was every reason to believe that the conference was confined entirely to a discussion of these various treaties and that European war was mentioned only in passing, if at all. It was regarded here as significant, however, that Secretary Bryan should undertake negotiations looking to the inclusion of Germany among nations with whom the United States has made peace conventions at this time, when that country is engaged in war. Such a treaty would commit the German government to a recognition of the propriety and reasonableness of dealing with international issues by peaceful means, it was pointed out, and the suggestion was not lacking tonight that an underlying motive for the administration's effort might be the desire to smooth the way at this moment for the conference that must, in the end, terminate the war in Europe.

Negotiations of a similar nature already have been opened with Japan. It was argued here tonight that should both Japan and Germany sign peace treaties with the United States, joining the great array of powers already bound by such agreements, the way would be opened for the next step, an invitation to these powers to regard peace treaties, originally negotiated between each of them and the United States, as binding upon them, generally with respect to each other.

The Carvers

(By Walt Mason.)

We used to call it gripes, when we had stomach trouble, and all our inward pipes would ache and bend us double.

It was a common ailment that caused no awe or wonder, and granny's simple skill full soon would knock it under. The poor men in his castle, men in their coats, the rich man in his castle, were often tied in knots, and with the gripes would waste the dose of home-made dope would quell the dire upheaval, restoring faith and hope, displacing pain and evil. But now the doctor comes—his science sure a blight!

He looks and haws and hums, and cries, "Appendicitis!" He promptly spoils your peace, and makes your courage mizzle, as from his old valise he takes a saw and chisel, a cleaver and some disks, and how the patient hollers, when he removes one's works, and charges ninety dollars. The docs are done with pills, in this and other nations; no matter what your ills, they call for "operations." Lumbago in our backs, the jaundice and hay fever, demand the saw and ax the hatchet and the cleaver. The druggist's trade is poor, and soon he will be starving; the doctor's only cure, these modern days, is carving.

ATTENDING CONVENTION OF BARBERS' UNION

A. B. Opperman has gone to Indianapolis to attend the International convention of the journeyman barbers' union. The convention is held but once in five years and is attended by representatives from Canada, Porto Rico, Mexico and Cuba, as well as from all parts of the United States. He goes as a delegate from the local union, No. 497 and is fortunate in attending a gathering of such importance among journeyman barbers.

Mr. Opperman spent Sunday in Decatur, the guest of his sister, Mrs. L. G. Wheeler. The convention will begin this morning in Indianapolis and continue probably until the end of the week.

Schoedsack and daughters, Mr. and Mrs. Hugo Hempel and son, Harold, John Higler, Mr. and Mrs. Percy Cherry and children and Howard Keene.

SPECIAL PATRIOTIC SERVICE AT CENTRAL CHRISTIAN CHURCH

"Prince of Peace" Theme of the Rev. M. L. Pontius Sunday Evening—Many Hear Pastor in Earnest Appeal to Christian Conscience.

The Golden Rule consistently applied to all dealings and transactions between man and man and between nation and nation, is the remedy suggested Sunday evening by the Rev. M. L. Pontius in his special "Peace Day" address at Central Christian church. "Jesus Christ did not say 'Maintain the balance of power, increase in size your navies and standing armies, create your ministries of war that ye may be ready when the day of reckoning arrive,' but rather, 'Whatsoever ye would that men should do unto you, do ye even so unto them.'"

Jesus came into the world to bring peace between nation and nation. He came that strife might cease and that peace might reign between man and man. He came to bring peace between man and his God.

Flags and patriotic songs, with special music in keeping with the occasion, served throughout the service to carry out the patriotic idea. Flags decked the front of the church and flags in miniature, supplied on entrance by the ushers, were worn by every person in the large audience, a concourse filling main floor and gallery and overflowing into the Sunday school room to the south.

It was by the force of an all powerful ideal that Isaiah rose above the dark clouds of strife surrounding him and uttered the prophecy which proclaims the Son of Man, the eternal Prince of Peace. War clouds hung thick and death and devastation were on every hand. With the fortunes of Israel at the lowest ebb, the man of God arose to the conception of the universal and enunciated to the world principles of everlasting peace.

America's Responsibility. Tradition says that it was the ship Providence which first carried across the Atlantic the Stars and Stripes. So, we think, has Providence ordained that America is the chosen one to uphold to humanity the light of deliverance, to turn away man's thought from the lust for blood, and to maintain the ideals of the Prince of Peace.

Nations are turning backward when they substitute lead and gunpowder for the principles of justice. Love is stronger than war and gentleness and kindness, love and sympathy have a message to the warring ones today. Man is the highest work of God, but man is the only animal who so far forgets as to make a business of preying upon his own species. War is never justifiable except it be that the conditions seeking remedy are worse than actual conflict. When the ideal is attained and conflict does cease, then will the nations have time and energy to turn away from the exhausting business of war and give attention to those questions of human welfare, those social problems which through the ages have been awaiting solution.

The morality of men in crowds and nations is notoriously lower than that of individuals, set forth the pastor in continuing his address. There is no more justification for war between nations than for private war and duelling between men.

"Jesus the Christ came to establish peace between man and man. There was a time when to travel abroad was not safe, when each man's house was by force of necessity a fortress, and when no one went from town to town without arms. A hundred years ago we had in this country the institution of duelling, and it was not until we suffered the loss of Alexander Hamilton, one of the brightest minds of the nineteenth century, that we awoke to the hideousness and uselessness of it all. Churches and monasteries were at one time located on inaccessible rocks and sentries placed on the path to stand guard. This has all passed. Schools, churches, hospitals unmoored carry on the work of the Master and make for peace and comity between man and man."

The Musical Program.

A well selected musical program under the directorship of J. Philip Read added much to the success of the patriotic service. The numbers follow:

Song by audience and choir—"The Star Spangled Banner."

Violin solo, "Meditation," by Massenet—Dean Cochran.

Vocal solo, "Fear Ye Not O Israel," Dudley Buck—Miss Irene Spears.

Anthem, "Honor the Lord," Mark Andrews—Choir, assisted by Mr. Albert Strausser and ladies' sextette.

DARKEN GRAY HAIR

LOOK YOUNG, PRETTY

Sage Tea and Sulphur Darkens So Naturally That Nobody Can Tell.

Almost everyone knows that Sage Tea and Sulphur, properly used, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp, and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wet's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy.

CURIOUS FIGURING.

It's a Way the Russian Peasant Has, and It's an Enigma.

A UNIQUE WAY TO MULTIPLY.

It is Simplicity Itself and Absolutely Accurate, but the Why and Wherefore of the Method and Its Results Are a Puzzle to Mathematicians.

This is not a meaningless, freaky twister of a puzzle. But it is a puzzle. It is the method by which Russian peasants multiply, and as yet the boasted mental superiority of America cannot solve the simple riddle of the Slav.

Suppose you want to multiply two numbers together. Divide one of the numbers by 2, ignoring the fraction. Continue the process until the divided column reaches one. Then double the other number and continue the process until it equals in lines the first column. Then whenever a number is even in the first column strike it out, together with its corresponding number in the second column. Add the second column, and, lo, the answer! Now why does it do it? There seems to be no reason for it, but what is it? Can you work it out?

It is infallible. It has never been known to fail. But what principle of mathematics is behind it all? Perhaps it is some queer freak of numbers, some one says, but such things are not to be turned aside with such generalities. Mathematics is not built upon, so to say, a system. There is some rule behind it all.

Take the simple multiple 12 by 10. Obviously the answer is 120. Try it the Russian way. Place 12 in the first column and 10 in the second. Divide 12 by 2 and multiply 10 by 2 and place the respective answers beneath the sums from which they were derived. It will stand 6 and 20. Dividing 6 by 2 equals 3, and multiplying 20 by 2 equals 40. Continuing, 3 divided by 2 and throwing away all fractions will be 1, while 40 multiplied by 2 will be 80. Now strike out all the numbers in the first column which are even and with it their parallels in the second column—12 and 6 will go out, leaving the last two parallel results. Ignoring the first column and adding the numbers in the second, the answer will be the result of 40 and 80, or 120.

The questions are: Who ever worked it out? How did he start?

Now try working the problem by putting 10 in the first column and subjecting it to the dividing and 12 to the multiplying. It will result like this: Ten and 12 will become 5 and 24, which will in turn be changed to 2 and 48 and finally into 1 and 96. Then, striking out the numbers 10 and 2 with their corresponding numbers 12 and 48, leaving the second column figures 24 and 96 to be added—this becomes 120.

There is no escaping it. No matter how large the score, it comes out right with distressing surety. Take the odd numbers. Perhaps there is some twist in the scheme that applies to even numbers. Take 25 and 15. Going right down the column they become 12 and 30; then 6 and 30; then 3 and 120; then 1 and 240; 12 and 60 go out, taking with them 30 and 60. Add 15, 120 and 240. Answer, 375. Multiply 25 by 15 according to our methods. Correct—375.

Now, why is it that the even numbers must be eliminated on the right side when they do not count at all in the addition?

It is plain to be seen that all the numbers in the second column will be even, but by what freak of calculation are those corresponding to the even numbers in the first column of no consequence when the correct sum is to be obtained?

Where no even number results in the first column, as in 15 x 13, there is no complication; 15 and 13 in the process become 7 and 26, then 3 and 52 and finally 1 and 104. Adding 13, 26, 52 and 104 equals 195, the correct sum. There can be no multiplication in figures which will divide down to a place where there are no odd numbers, for the final number must always of necessity be 1. In the sum 16 x 4, 16 divides itself into 8, 4, 2 and 1 successively, while 4 becomes 8, 16, 32 and 64. All of the pairs are crossed out, with the exception of 1 and 64. In that case the addition of the second column will be 64.

Despite the puzzling nature of this formula, there is some mathematical principle by which it can be explained. There is some rule awaiting the fertile minds of the workers by which this "stumper" can be demonstrated to be simplicity itself.

Another quizzier: Why must fractions be discarded? How is that the result will be true when several units are cast aside? For example, consider the number 47. Dividing by 2 the result will be 23. One whole unit is thrown away. Twenty-three becomes by the same process 11, another unit discarded. Eleven resolves itself into 5, making the third unit passed by. The next step results in 2 and then 1, but why is it that these three units count for nothing?

The mere fact that the explanation is near, that the whole thing is simple if the key can be found, is one that cannot help but draw attention to this novel means of adding.—Philadelphia North American.

The more I study the world the more I am convinced of the inability of force to create anything durable.—Napoleon Bonaparte.

MOTHER! THE CHILD IS COSTIVE, BILIOUS

Look Mother! If Tongue is Coated Give "California Syrup of Figs"

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs", and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "Fruit Laxative", because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit fig syrup. Ask your druggist for a 50c bottle of "California Syrup of Figs", then see that it is made by the "California Fig Syrup Company."—adv.

"BLOOD WILL TELL."

The Heroes of the War.

"Blood will tell," is an axiom that in all the ages has never been gained. Every man who does a brave, heroic act carries within his veins a quality of blood that urges and sustains him. No matter whether he inherits it from a long line of famous ancestors or from the sound and healthy constitution of his immediate parents, whose only distinction is honorable toil and a simple virtuous life.

It matters little where or how you obtain it, but it matters all the world that by some means you possess good blood. Good blood is first, last and always the making of manly men and womanly women. It is the source of all courage, virtue and happiness.

A new man can be made out of one that's "used-up", bilious and dyspeptic. It's done by Dr. Pierce's Golden Medical Discovery. It starts the torpid liver into healthful action, purifies and enriches the blood, cleanses, repairs, and strengthens the system, and restores health and vigor. As an appetizing, restorative tonic, it sets at work all the processes of digestion and nutrition, and builds up flesh and strength. It's the only Blood and Liver Remedy that's guaranteed, in every case, to benefit or cure. If it doesn't do all that's claimed for it, the money is promptly refunded. But it keeps its promise—that's the reason it can be sold in this way.

It is not a secret remedy for its ingredients are printed on wrapper. You only pay for the good you get. "Discovery" strengthens Weak Lungs, relieves Shortness of Breath, Bronchitis, Severe Coughs, and kindred affections.

Free. Dr. Pierce's Common Sense Medical Adviser, bound in cloth, is sent free on receipt of 51 one-cent stamps to pay expense of wrapping and mailing only. Address: Dr. Pierce, Invalids' Hotel, Buffalo, N. Y.—adv.

LONERGAN FAMILY REUNION.

A family reunion of the Lonergan families was held Sunday afternoon at the rural home of Mr. and Mrs. John Lonergan, southeast of Woodson. More than half a hundred were present and the occasion was one that will stay long in the memory of all present. The time was most happily spent in conversation which was interspersed with singing and instrumental music. At noon an elaborate dinner was served and to which ample justice was done. After dinner a group photograph was made by Otto Speith and it will prove a very satisfactory souvenir of the happy occasion.

Those who were so fortunate as to be present were Mr. and Mrs. John Lonergan, daughters, Misses Alice, Mary, Margaret and sons, James, Edward, William, Martin and John, Mr. and Mrs. James Lonergan, daughter, Miss Lena and sons, Richard and Paul; Mr. and Mrs. Richard Lonergan, daughters Misses Theresa and Lucy, and sons Cornelius, Arthur and Richard; Mr. and Mrs. Thomas Lonergan, Miss Josie and Rosaline and son Thomas; Mr. and Mrs. Edward Lonergan, daughters, Misses Clara and Aileen and sons, Austin, Charles and Lewis of Jacksonville; Mr. and Mrs. James Trahey, daughters, Misses Bernadine and Louise and sons Thomas, Jerome and Jerry of Jacksonville; Mr. and Mrs. John Langdon and daughters Misses Maria, Alma and Aileen; Mr. and Mrs. David Winkler, Mr. and Mrs. Frank Lonergan, Mr. and Mrs. C. Mrs. Barr and her son, Allan, and his wife are also in the city, and will leave in a few days for Fowl River, Ala., where they expect to spend the fall and winter months in their southern home on their fruit ranch of 30 acres on the west coast of Mobile bay, where a few years ago, Mr. Barr had erected a commodious and down to date home in which he and his family have enjoyed several winters in the sunny south. Mr. Barr expects in the near future to join his family for the winter.

WICHITA TO DETROIT.

Monday two young men came into the city from the west riding on Indian motorcycles. They were members of the Western baseball league which recently closed the season and were on their way home. They were E. W. Baker and Fred Oakes. They reported their longest day's ride as 234 miles. They made good mileage on other days and several times lost their road and had to retrace parts of their journey. The roads in Kansas and Missouri they reported as in good condition but so far they had found the roads in Illinois too sandy for fast riding. Weather had been fine and they were enjoying their journey.

MOTHER OF SCHOOL GIRL

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Daughter's Health.

Plover, Iowa.—"From a small child my 13 year old daughter had female weakness. I spoke to three doctors about it and they did not help her any. Lydia E. Pinkham's Vegetable Compound had been of great benefit to me, so I decided to have her give it a trial. She has taken five bottles of the Vegetable Compound according to directions on the bottle and she is cured of this trouble. She was all run down when she started taking the Compound and her periods did not come right. She was so poorly and weak that I often had to help her dress herself, but now she is regular and is growing strong and healthy."—Mrs. MARTIN HELVIG, Plover, Iowa.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

NEW CHAMPIONS PLAY RINGS AROUND BROOKLYN

WIN BOTH GAMES OF A DOUBLE HEADER.

Hammer Aitchison and Schmutz at Will in First Contest—Whitted Wins Homer for Boston by Knocking Homer With Bases Full.

Brooklyn, Oct. 5.—The Boston Champions played rings around the Brooklyn in today's double header, winning both games, the first by a score of 15 to 2 and the second by 9 to 5.

Boston hammered Aitchison and Schmutz at will in the first contest, while Crutcher held the locals safe.

The second game was close until the ninth when, with Brooklyn one run ahead, Whitted won the game for Boston by driving out a home run with the bases full. Ragan had struck the side out in the eighth on nine pitched balls but he blew up in the ninth.

IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Use it Like Cold Cream and Dry Eczema Right Up.

The moment you apply bold-sulphur to an itching or broken out skin, the itching stops and healing begins, says a renowned dermatologist.

This remarkable sulphur made into a thick cream effects such prompt relief, even in aggravated Eczema, that it is a never-ending source of amazement to physicians.

For many years bold-sulphur has occupied a secure position in the treatment of cutaneous eruptions by reason of its cooling, parasite-destriving properties and nothing has ever been found to take its place in relieving irritable and inflammatory affections of the skin. While not always establishing a permanent cure, yet, in every instance, it immediately subdues the itching irritation and heals the Eczema right up and it is often years later before any eruption again manifests itself.

Any good pharmacist will supply an ounce of bold-sulphur cream, which should be applied to the affected parts like the ordinary cold creams. It isn't unpleasant and the prompt relief afforded is very welcome, particularly when the Eczema is accompanied with torturous itching.—adv.

FALLING HAIR OR ITCHING SCALP

Surely Cease When You Use Parisian Sage—Makes Your Hair Soft and Fluffy.

Now that Parisian Sage—a scientific preparation that supplies every hair and scalp need—can be had at any drug counter, it is certainly needless to have thin brittle, matted, stringy or faded hair. No matter how unsightly your hair, how badly it is falling, or how much dandruff, Parisian Sage is all that is needed. Every trace of dandruff is removed with one application, the hair roots are nourished and stimulated to grow new hair, itching scalp and falling hair cease—your hair becomes soft, fluffy, abundant and radiant with life and beauty.

Parisian Sage is surely one of the most invigorating and refreshing hair tonic known. It is easily used at home—not expensive, and even one application proves its goodness.—adv.

Tantalus.

The unhappiest nature I know are the natures of keen emotion and swift perception, who yet have not the gift of expressing what they feel for an artistic medium. It is these, alas, who lumber the streets and porticos of literature. They are attracted away from homely toil by the perilous sweetness of art, and when they attempt to express their raptures they have no faculty or knack of hand.—A. C. Benson in Century Magazine.

Darning Stockings.

ATHLETIC REGULARS DEFEAT NEW YORK

BEGIN THEIR TUNING UP FOR WORLD'S SERIES.

Champs Show Effects of Lay-Off in Weak Hitting—Display Excellent Fielding and Bush—Bressler and Shawkey Pitch Splendid Game.

Philadelphia, Oct. 5.—The Athletics regulars began their tuning up for the world's series after a week's rest when they defeated New York today 2 to 0. All of the regular infielders outfielders and catchers that Manager Mack expects to send against the Braves next Friday were in the game with the exception of McInnis. The latter has two sore fingers and he merely took part in the batting practice.

The injury is not serious enough to keep him out of the big games. Walsh played first base for Philadelphia in good style. The American league champions showed the effect of their lay off by their weak hitting, but this was offset by excellent fielding and splendid twirling by Bush, Bressler and Shawkey. Each pitched three innings. Bush not permitting a hit and Bressler and Shawkey only one each. Score:

SPARKLE WINS FEATURE AT LEXINGTON RACES

TAKES \$5,000 TWO YEAR OLD TROTTING FUTURITY.

Loses First Heat to General French and Takes Next Two—Rhythmell Wins \$3,000 Walnut Hall Cup and Makes New Record for Race.

Lexington, Ky., Oct. 5.—The victory of Frank G. Jones' Sparkle Watts, driven by the veteran "Pop" Geers in the \$5,000 two-year old trotting futurity, featured the program of the opening day of the Grand Circuit meeting on the grounds of the Kentucky Trotting Horse Breeder's Association today. After losing the first heat to General French, Geers came back in the second and won in a driving finish, repeating in the third, a neck in front of Native Spirit.

Rhythmell, owned by Senator David Tod of Youngstown, Ohio, won the \$3,000 Walnut Hall and \$500 gold cup in straight heats. Her best time, 2:03 1-4, was a new record for the race. Margaret Driven, in the third heat, trotted faster than the world's record for four year old fillies going the mile in 2:04 1-2.

WORLD'S MARKET NEWS

SEVERE DROUGHT ADVANCES WHEAT

**Bulls Take Advantage of Shorten-
ing of the Australian Crop
Owing to Drought**

CORN AND OATS SUSTAIN LOSS

CHICAGO, Oct. 5.—Severe drought
in Australia had much to do with
making the wheat market ascend.
The outcome was a firm close at 1c
to 1c above Saturday night's level.
Corn lost 1/2c to 1/2c net, oats
finished 1/2c off and provisions irregu-
lar varying from 27c decline to a
rise of 2c.

Wheat bulls were prompt to take
advantage that owing to drought the
crop in New South Wales and in
Victoria had been reduced 35,000,000
bushels, an amount equal to half of
the normal yield. In addition some
speculators were affected by advices
that seemed less hopeful of Italy and
Turkey being kept out of the war.
Lateral export sales said to have been
made here and at Kansas City tend-
ed also to give the market strength.

Heaviness developed in the corn
market, owing somewhat to asser-
tions that even late fields, were now
virtually out of danger from frost.
Cash demand was slow and an early
advance due to wheat strength and
to unsettled weather was more than
wiped out. Oats suffered from profit
taking sales by longs. The market,
though, was steadied by cash transac-
tions that reached as high as 800-
000 bushels.

Blood Remedy Sustains World

Myriads Have Learned of Its Remarkable Curative Value.

From the very fact that S. S. S., the famous blood purifier is a natural medicine, it is opposed by those who can not give up mercury and other dangerous drugs. Habit is a strange master. Afflicted people use mercury with a blind force of habit. Not warned by the rheumatism they see all around them, unkindly of the locomotor ataxia, paralysis and other dreaded results of mineral poisoning, they cling to the fast disappearing treatment so surely and positively being replaced by S. S. S., wherever the light strikes in. S. S. S. is fast becoming the world's panacea for all blood troubles because it is welcome to a weak stomach, is taken naturally into the blood, is a wave of purifying influence known by its remarkable curative results, and is the standby of a host of people. It goes into the blood and remains a strong medicinal influence to the end and this without any other effect than that of a purely cleansing property.

It is the most universally recommended blood remedy known, and has sustained its reputation for half a century. Its ingredients are Nature's definite antidotes for germs that create our worst afflictions. Get a bottle today of any druggist. Refuse all substitutes. Write the medical department, The Swift Specific Co., 62 Swift Bldg., Atlanta, Ga., for free advice on blood troubles, and how to overcome them. This department is one of the finest helps to men to be found anywhere, and it is entirely free.

BRITISH STEAMER LOADED WITH GRAIN STRIKES MINE

LONDON, Oct. 5.—Telegraphing from Ostend the Exchange Telegraph correspondent says: "The steamer Ardmount, loaded with grain, which left Dover at 6:30 o'clock this morning for Zeebrugge, Holland, struck a mine. Her crew of 35 was saved."

The Ardmount was from Galveston and it is reported that when she reached Falmouth last Saturday she was ordered on to Antwerp.

The British steamer Ardmount, a vessel of 3,510 tons, commanded by Captain Ronald, sailed from Galveston September 9. The Ardmount was owned by the Ardmount Steamship Co., Glasgow.

CITY MAY BUY AUTO FOR POLICE DEPARTMENT

Speed Violators Will Be Vigorously Prosecuted—Monthly Officers Reports Filed.

The city police department may soon have an automobile to be used in running down violators of the auto to speed ordinance. At the session of the council yesterday morning Commissioner Engel was authorized to investigate at what figure he could purchase either a new or a used car which would answer for this purpose. Persistent violations of the speed law by automobile drivers is responsible for the suggestion.

A regular meeting was held Monday morning at the usual hour when the roll had been called the minutes read and other ordinary business transacted. A petition was read from residents of Webster avenue, asking for an additional light on that street. This petition was referred to Commissioner Brennan who has authority to take whatever action he deems advisable.

A communication was read from the Parent-Teachers association of the third ward inviting the members of the council to attend a meeting of the association to be held today and at the same time to inspect the improvements in the building which have recently been completed.

Officers reported for the month were: Mr. Knollenberg properly approved bills were ordered paid which funds are available. The report from the water department was especially noteworthy. The total collections being \$3,367.37, the largest ever made by the department.

Commissioner Brennan reported the condition of the well being constructed at the North Side pumping station and said that it promises to be an excellent well. Commissioner Newman said that he wanted to call attention to the violations of the automobile speed ordinance and said that the law ought to be repeated or else strictly enforced. He said that if the practice of speeding was permitted to continue it was only a question of time until somebody was killed and then the city would begin great activity about enforcing the ordinance. He said that he had heard it reported that his son sometimes exceeded the speed limit but was not arrested because he was the son of a commissioner and that he didn't like this report and was in favor of the enforcement of the law without regard to who the person might be.

Mr. Engel said that he had talked the matter over recently with the chief of police and that it was the intention to control the matter so far as possible. He said too that in the past when anybody was arrested for speeding that, as a rule, some other city official wanted the fine remitted and he asked whether this would be the case from now on and stated further that if he was to have the assistance of the rest of the council that he would see to it that the violators were arrested.

Mayor Davis said that he had always been of the opinion that little could be done toward the enforcement of auto speed law unless the police department had an officer mounted on a motor cycle who could pursue the speeding cars and get the numbers. Mr. Knollenberg wanted to know if this would be an extra officer or whether some one of the regular force would drive the car. Mr. Brennan was of the opinion that the police department needed an automobile for various kinds of work, and that an auto could be purchased for a small amount above the cost of a motor cycle. There was some discussion about the advantages of buying either a new or a used automobile and finally on motion of Mr. Newman by a second by Mr. Brennan, Mr. Engel was instructed to get a figure on a car he considered suited to the needs of his department.

The council then adjourned.

Officers' Reports.
Officers' reports filed were as follows:

City officers reported for the month and the reports were ordered placed on file as follows:

Dr. A. M. King, health warden, reported: Total deaths, 36. Ages were as follows: Under one 1; 1 to 5 1; 5 to 20, 2; 20 to 50, 10; 50 to 70, 9; over 70, 13.

J. M. Coons, justice of peace, reported: From collections, \$50.80; city costs, \$13.20; J. P. costs, \$26.40; fines, \$3; amount of costs, \$4.70.

R. L. Pyatt, city clerk, reported: Collections through office, \$180.15; from Diamond Grove cemetery, \$205.11; from Jacksonville cemetery \$41.

F. E. Farrell, city treasurer, reported: Balance in general fund on Oct. 1, \$2,334.05.

Phil Grant reported for Diamond Grove cemetery eleven graves made.

Howard Wannamaker reported for Jacksonville cemetery six graves made.

J. F. Brennan, commissioner of public property, and W. H. Coe, water superintendent, reported the following collections for the month: Water rent, \$3,367.37; meter sold, \$50; taps sold, \$6; meters repaired, \$4.25.

Miss Emma Weller, city matron, reported five motherless children found deserted by the father. An older brother has agreed to care for them. Three cases in the juvenile court were continued and various other cases were investigated. The matron is looking for a home for an 11 year old boy.

George P. Davis, chief of police, reported: Arrests, 26; state cases, 2; city, 24; amount collected, \$128.10. The arrests were as follows: Drunkenness, 10; shooting in city limits, 2; peace warrant, 1; violating local option law, 3; disorderly conduct, 9; larceny, 1; violating health ordinance, 1.

T. O. Baumgartner was among the visitors in Jacksonville Monday.

POTATOES AS FOOD.

At First Only the Seed of the Tuber Was Thought Fit to Eat.

When potatoes were first used for food it was the "seed" or "apple" that was used, and it was some time before the tuber was found to be the most delicious food. Up to the end of the seventeenth century the potato was out of the reach of people of moderate incomes. It is recorded that in 1692 potatoes were sold at 1 shilling (25 cents), a pound in the London markets, but the sale was small because so many people believed that the potato caused leprosy and fever. Others declared that they were endangering their souls if they ate the potato, since the tuber was not mentioned in the Bible.

The late Duke of Argyll in his history of Scotland says that little or nothing was known of the potato in Scotland until long past the middle of the eighteenth century. The Duchess of Buccleuch, in her "Household Book" for the year 1701, speaks of the potato as "an esculent of great rarity."

Hugh Miller, in his "Schools and Schoolmasters," says that his maternal grandfather about the year 1740 used to bring home in his pocket some three or four potatoes as great rarities grown by the gentry, for he was a friend of the head gardener at Balaquh castle. Thomas Carlyle tells us that his father got possession of four potatoes and knew so little about them that he hid them away for a possible time of want and that potatoes were saved to be eaten at Halloween. There is no doubt that the Irish were the first people to recognize the value of the potato as a staple article of food—Youth's Companion.

COLORED MOTION PICTURES

They Are Made by Using Screens of Red and Green Glass.

There are colored motion pictures that are made so by hand, each little picture being painted separately. In making pictures "in natural colors" the film is the same as that of the ordinary motion picture. But in making it the speed is twice as fast, thirty two pictures to the second.

"Colored" pictures are photographed through mats or screens of colored glass. Two primary colors are used, red and green, with a sympathetic touch of blue. When the machine that makes the photograph is started a device causes the red screen to pass before the lens as the first photograph is taken, and the green screen passes the same way as the following picture is made. They continue to do so alternately as the film continues to be exposed.

The negative is developed and a positive printed, and when run through the projecting machine the color screens are used in the same way as when the negative was made, red and green pictures being flashed on the screen alternately. Those colors that are in sympathy with the red are brought out, and those that are in sympathy with the green are shown in the same way, and through the persistence of vision we do not notice the changes. Instead they blend harmoniously to our delight.—Charles M. Seay in American Boy.

When Gas Was New.
There is a tradition to the effect that when domestic lighting by gas was still a novelty Sir Walter Scott introduced it into every room and staircase of the house that he was building at Abbotsford and did so without provision for any unexpected failure. His entering into possession was made the occasion for a house warming on a scale of considerable magnitude, and in the very middle of the festivities all the lights suddenly went out. The guests were left in absolute darkness until such time as mounted messengers could return from Melrose, whither they had been dispatched with instructions to collect all the tallow candles and tin scones or candlesticks which the village contained.—London Times.

Function of Literature.
"A book," said Dr. Johnson, "should show one either how to enjoy life or to endure it." Was ever the function of literature expressed more pungently or justly? Any man who enjoys or endures has a right to speak if he can. If he can help others to enjoy or endure he has a right to speak, if he doubt as to his part in life, while if he cannot ecstatically enjoy he can at least good humoredly endure.—A. C. Benson in Century Magazine.

More Than He Needed.
"At the end of five hours and a half if you are in town," said the judge, "you will be arrested on the same charge."

"You may live full hours of that time back," said the lawbreaker. "I can get along with the thirty minutes."—Philadelphia Ledger.

Scared.
"What was the matter with old Boozie when he called the doctor at midnight last night?"
"He thought he had lost his sense of taste. His wife's hat was on the dining room table and he ate the grapes off it."—Houston Post.

Golden Fleece.
The noted order of the Golden Fleece is a military one instituted by Philip the Good, duke of Burgundy, in 1429 on the occasion of his marriage with the Portuguese princess, Isabella. The order now belongs to both Spain and Austria.

If you know how to spend less than you get, you have the philosopher's stone.—Franklin.

VISITORS FROM MONMOUTH.

Mrs. Eliza Smith was in the city for a short time Saturday on her way by automobile from Monmouth to a fruit farm she owns near Alton. Mrs. Smith is proprietor of a flourishing catering business in Monmouth and is known to many outside of her home city. Accompanying her on the trip were Mr. Smith, Mr. and Mrs. S. W. Williams and Mrs. J. Mason. Mrs. Williams and Mrs. Mason are sisters of Frank Edward and Clay Mallory of this city, with whom the party visited Saturday.

CHANGE OF MEETING.

The East Side Tuesday Club will meet this afternoon at three o'clock with Mrs. R. C. Singley, 719 East State street. Members please note change of meeting.

"A SHINE IN EVERY DROP"

Black Silk Stove Polish is different. It does not dry out; it can be used to the last drop; liquid and paste one quality; absolutely no waste; no dust or dirt. You get your money's worth.

Black Silk Stove Polish

Is not only most economical, but it gives a brilliant shine to the stove that cannot be obtained with any other polish. Black Silk Stove Polish does not rub out; it lasts four times as long as ordinary polish—so it saves you time, work and money.

Don't forget—when you use Black Silk Stove Polish, be sure to ask for Black Silk. If you don't, you won't get the best. Your dealer will refund your money.

Black Silk Stove Polish Works, Sterling, Illinois.

Use Black Silk Air Drying Iron Enamel on grates, registers, stove-pipes, and automobile tire rims. Prevents rusting. Try it.

Use Black Silk Metal Polish for silverware, nickel, tinware or brass. It works quickly, easily and leaves a brilliant surface. It has no equal for use on automobiles.

Only Sure Corn Cure Ever Known

"Gets-It" the New Way, 2 Drops Do It

To endure the pains and tortures caused by a little thing like a corn is ridiculous, simply because it is unnecessary. The new-plan corn cure,

Use "GETS-IT" for Corns and You Won't Suffer When You Put on Your Shoes.

"GETS-IT" is the first one ever known to remove corns without pain, without pain and without trouble. This is why it is the biggest-selling corn cure in existence today. It is now used by millions, because it does away with sticky tape, with plaster and cotton rings that shift their position and press down onto the corn, with knives that "draw up" the toe, with "burners" that cause pressure and pain, with knives, razors and files, clawing and pulling at a corn.

"GETS-IT" is applied in two seconds. Two drops applied with the glass rod at the work. Pain goes, the corn shrivels, vanishes. Accept no substitute. Try it on any corn, wart, callus or bunion tonight.

"GETS-IT" is sold by druggists everywhere, 25¢ a bottle, or sent direct by J. Lawrence & Co., Chicago.

CANTON BUSINESS MAN, 20 YEARS STOMACH SUFFERER, FINDS RELIEF

M. Gibson Swiftly Restored by Use of Mayr's Wonderful Stomach Remedy.

M. Gibson, a business man of Canton, Ill., for 20 years was a sufferer from stomach disorders. He took many treatments and spent large sums seeking relief.

One day he tried a dose of Mayr's Wonderful Stomach Remedy. The results he sought came at once. He found quick relief. Telling of his experience, he wrote:

"Your medicine is the best on earth. I have spent hundreds of dollars on medicine, doctor bills and hospital expenses. I have been sick for twenty years. Since I took your medicine I feel like a young man again."

Letters like that come from stomach sufferers all over the country. Mayr's Wonderful Stomach Remedy produces results. The first dose convinces—no long treatment.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and poisonous matter. It brings quick relief to sufferers from ailments of the stomach, liver and bowels. Many declare it has saved them from dangerous operations, many are sure it has saved their lives.

We want all people who have chronic stomach trouble or constipation, no matter of how long standing, to try one dose of Mayr's Wonderful Stomach Remedy—one dose will convince you. This is the medicine so many of our people have been taking with surprising results. The most thorough system cleanser ever sold. Mayr's Wonderful Stomach Remedy is now sold by leading druggists everywhere.—adv.

ANNOUNCING

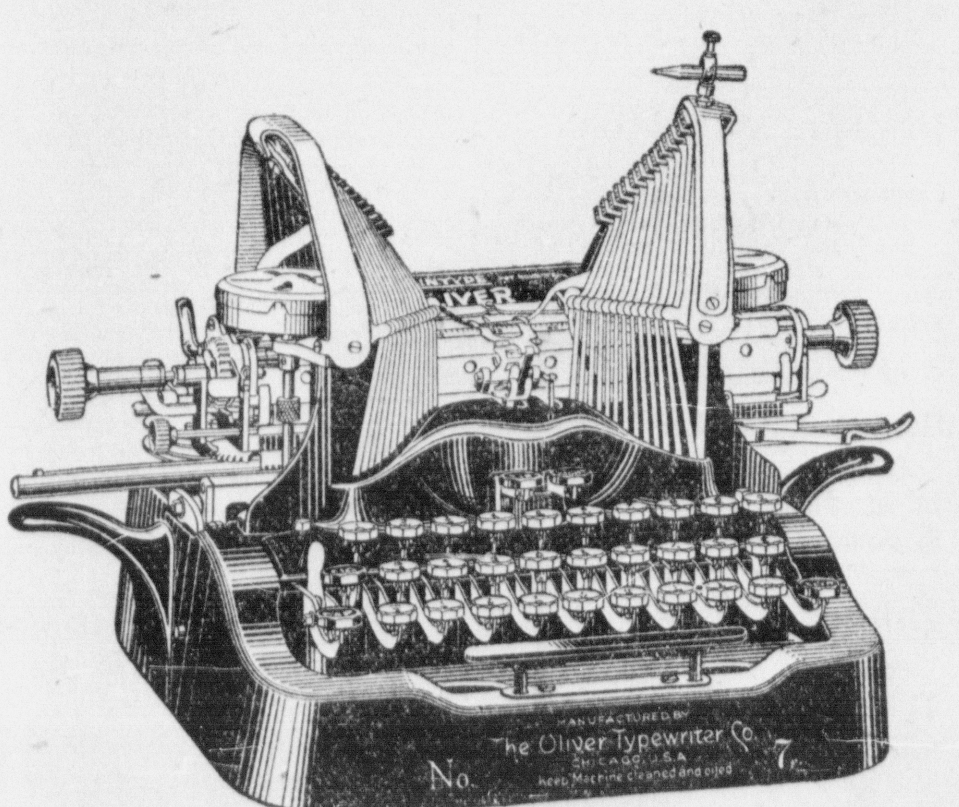

The New Typewriter...OLIVER No. 7

WE ANNOUNCE AN AMAZING MODEL—THE OLIVER No. 7—a typewriter of superexcellence, with automatic devices and refinements that mark the zenith of typewriter progress. A marvel of beauty, speed and easy action. Typewriting efficiency raised to the nth power.

The Oliver No. 7 embodies all previous Oliver innovations and new self-acting devices never before seen on any typewriter. A leap in advance which places The Oliver ten years ahead of its time. So smooth in action, so light to the touch, so easy to run, that experts are amazed. A model that means to the typist delightful ease of operation.

A model that means a higher standard of typewriting, longer and better service.

The No. 7 is now on exhibit and sale at all Oliver Branches and Agencies throughout the United States.

The new model has more improvements, refinements and new uses than we can even enumerate here. The "Cushioned keyboard" with "anchor keys" and the new automatic features mean less work for the hands, less strain on the eyes, less manual and mental effort.

With all of these masterly mechanical improvements we have made the machine more beautiful and symmetrical. From every standpoint THE OLIVER No. 7 attains superlative excellence.

Nothing you could wish for has been omitted. The new devices, refinements, improvements and conveniences found on the No. 7 represent an enormous outlay and vastly increase its value—the price has not been advanced one penny. We shall

even continue in force our popular 17-Cents-a-Day purchase plan, the same as on previous Oliver models. The OLIVER No. 7 is equipped with famous Printype, if desired, without extra charge.

You owe it to yourself to see the new machine before you buy any typewriter at any price. Note its beauty, speed and easy action, its wonderful automatic devices. Try it on any work that is ever done on typewriters. Try it on many kinds of work that no other typewriter will do.

I is a significant fact that the typewriter that introduced such epoch-making innovations as visible writing, visible reading, Printype, etc., should be the first to introduce automatic methods of operation.

FUNERALS

Monroe.

The funeral of Charles Barger Monroe was held from the Concord M. E. church, Monday afternoon at 3 o'clock in charge of Rev. W. P. Bowman. Music was furnished by the three churches of the town. There were a number of beautiful flowers. Interment was made in the Concord cemetery and the bearers were Merle Beddenfield, Clyde Cooper, James Silex, Cass Bleming, Ora Hamm and James Sanders.

Among those from away to attend the services were Mr. and Mrs. Louis Ayers, Mr. and Mrs. Charles Clemens, Mr. and Mrs. Charles Miles, Mr. and Mrs. Charles Ayers, Mr. and Mrs. George Lashmet, all of Weldon and Charles Martin of Lincoln.

Charles Barger Monroe was born in San Jose, Mason county, Ill., Sept. 29, 1873 and led in the hospital at Jacksonville, Oct. 3, 1914, aged 41 years and 4 days.

He was married to Miss Pauline Ayers in Springfield, Dec. 20, 1903. He became an employee of the Traction system in Springfield in 1902 and for 3 years by faithful service, proved himself to be a trustworthy and capable man and served most of this time as conductor and was finally promoted to the position of assistant superintendent because of poor health he resigned this position about three years ago and with his wife they moved to Weldon, Ill., where they bought property and went into business for themselves, keeping a confectionery and lunch counter. But misfortune overtook them there. Their property was destroyed by fire, his health began to decline and because of his weakened physical condition it seemed he could not fully recover from this stroke of misfortune.

About three months ago he suffered an attack of partial paralysis, called creeping paralysis, which gradually grew upon him until it caused his death.

He was converted under the ministry of Rev. S. G. Purree, during a revival meeting in 1890 and united with the Concord M. E. church. In his letter to his mother he often spoke to her of his christian life and trust in God. When she spoke to him a day or two before his death about trusting in God, he said, "Yes, mother, I do know he is here every day."

Besides his faithful and devoted wife and mother he leaves one brother, Samuel Monroe of Pineville, Oregon and many other relatives and friends.

ADD FUNERALS

Cline.
Funeral services for Ira Orville Cline, the infant son of Mr. and Mrs. Ira Cline was held Sunday afternoon from the residence of Grant Cordrey, 722 East North street, in charge of Rev. J. W. Miller. Interment was made in Diamond Grove cemetery.

The little boy was four and one half months old and died Saturday, Oct. 3, near Bellevue, Ill. Mrs. Cordrey is a sister of Mr. Cline.

Hart.
Funeral services for Mrs. Robert Hart were held at 8:30 o'clock Sunday morning at the family home, 1017 Mathers street, in the presence of the relatives and friends of the family. Services were in charge of Rev. G. W. Flagg, pastor of Centenary church. The singing was by a quartette consisting of Mrs. T. H. Rapp, Mrs. Albert Farrow, Rev. G. W. Flagg and W. V. Gillham. The bearers were friends of the family.

The remains were taken on the 10:05 Wabash train to Bluffs where they were laid in the Hart cemetery.

NERVOUS DYSPEPSIA, GAS OR INDIGESTION

"Pape's Diapepsin" Settles Sour Upset Stomachs in Five Minutes.

Time it! Pape's Diapepsin will digest anything you eat and overcome a sour, gassy or out-of-order stomach sure within five minutes. If your meals don't fit comfortably or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy or nervous stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is awaiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapepsin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home.

MORTUARY

Fitzgerald.
Mrs. Hannah Fitzgerald, died Sunday night at Maplewood Sanitarium, at the age of 56 years. She was born and reared in Springfield and is survived by one son, Charles, one brother, John Henninger and five sisters.

The remains were taken to O'Donnell's undertaking parlors and funeral services will be held from the St. Joseph Catholic church in Springfield this morning at 9:30 o'clock.

Pick.

Mrs. Alden Brown received a telegram Monday telling of the death of her uncle, William Pick of Quincy, who died Monday morning at 9 o'clock, from blood poisoning. He had undergone an operation for an ingrowing toe nail. He was a prominent business man of Quincy, being a director of one of the banks, president of the Dick Coal company, interested in the Quincy hotel and other enterprises of that city.

He was about 45 years of age and leaves a wife and three daughters, also one brother, John of Quincy. Mrs. Brown has already gone to Quincy and Mr. Brown will go this morning to attend the funeral services which will probably be Wednesday.

Bubb.

Mrs. Arthia A. Bubb died at 7 o'clock Monday evening at the family residence 610 West State street. She had been an invalid for some time and the end came suddenly. She was a daughter of William and Lucy Seymour and was born at the home of her parents four miles southwest of Franklin, July 2, 1871 and was 43 years, 3 months and 3 days of age when called by death. She was a consistent member of the Centenary church and also of the [Loyal American society].

She was married to John Mitchell of Springfield some years ago and to this union was born a daughter, Margaret Florence, now the wife of Earl Carlyle. Her husband dying, she was six years since married to Frank Bubb who with the daughter mentioned survive her. She is also survived by sisters and brothers as follows: Mrs. Minnie Woods, Mrs. Lonella Bryant and Charles and Dall Seymour residing in Franklin; Onias Seymour, Jacksonville; Grandison Seymour of Delavan, Ohio; Frederick Seymour of Waverly and Elijah Seymour of Denver, Colo. Time and place for funeral has not been determined.

Keplinger.

Mrs. Sarah Jane Keplinger passed away Monday morning at three o'clock at the home of her daughter Mrs. Henry Pinkerton, 923 Edge Hill Road.

Her maiden name was Sarah Jane Pulliam, daughter of Drury A. and Mary Elizabeth Pulliam, and she was born May 12, 1855 on a farm where Nichols park is now located. Her

parents moved close to Waverly when she was three years of age. She married George W. Keplinger, June 13, 1855, and they were the parents of six children, one son surviving, J. Curtis Keplinger. Mr. Keplinger died about ten years ago.

Early in life Mrs. Keplinger was converted and joined the M. E. church, being a member at Modesto. She had been a life long member of the Woman's Foreign Missionary society. Mrs. Keplinger was a woman who lived her religion every day. She was unostentatious in her life, yet ever on the watch to do some act of kindness or speak an encouraging word. Although passing through a great many trials and suffering much physical pain in her last days, she never complained, maintaining her great faith in her Lord and Master. Her memory will ever be fragrant in the hearts of her many friends and her life will ever be an example of noble womanhood.

The remains were prepared for burial at Williamson and Cody's undertaking parlors. The funeral will be held at Vancil Temple, near Modesto, Tuesday morning at 10 o'clock, Rev. V. A. King officiating. Interment will be made in Pulliam cemetery.

BOARD IS FAVORABLE TO
OPEN AIR SCHOOL PLAN

Preliminary Steps for New Educational Institution Taken Monday Evening on Presentation of Matter by Miss Olmsted and Dr. Wolman.

Favorable action was taken Monday evening by the board of education on the proposition to establish in the city an open air school for tubercular children who are not physically fit to attend school in the ordinary way. The matter was presented by the board by Miss Katharine Olmsted, the public health nurse and by Dr. H. C. Wolman, representing the Morgan county medical society and brief talks in favor of the plan were made by U. G. Woodman, E. G. Saye, Mrs. W. D. Roberts and Mrs. Woodman. On motion of members Clampt and Rogerson, the president of the board was empowered to appoint a committee to take steps toward working out the plan. The committee consists of Mayor Davis, Dr. Clampt and Supt. Collins and has power to act after due investigation. The school will probably be located on the lot back of the clinic and can be started in all likelihood for less than \$500. There are about eighty children in the schools of the city of tubercular tendency and each speaker pointed out the benefit of such an institution both to those affected and healthy children who might contract contagion.

After the disposition of the school question, the clerk read an invitation from the Parent-Teachers' association of the Third ward announcing an "at home" at the Franklin school this evening.

The treasurer's report showed \$16,119.57 in the general fund and \$5,943.75 in the building and repair fund. As the balance on hand is insufficient for present expense, arrangements were made for the issuance of anticipation warrants.

Mr. Wolke's warrant was ordered held up until the contract should be filed guaranteeing care of the building free of extra charge for the next year and repair of the room for the next five years, and until all bills outstanding shall come in.

The Butterick Dressmaking School began Monday at Hillier's Dry Goods Store. The ladies are very enthusiastic over the results of their first instructions. Lessons are given Monday, Wednesday and Friday evenings. Enroll at once or you may not get the hours you want.

FUNERAL NOTICE.

The funeral of Edward Montgomery will be held at 2:30 o'clock this afternoon from the residence of Mrs. Isalah Strawn, west of the city. The services will be private.

NEW HOUSE COMPLETED.

The new house which has been erected for W. J. Roberts on Case avenue, has been completed and the family were engaged yesterday in removing into it.
